### Pre-opening Support

Deciding to open a major hotel is the first step towards actualizing an idea.

Star 2 Success Consultants has the expertise to take your ideas to reality.

As part of our Pre-opening Support services, Star 2 Success Consultants will work with your building project manager, your architects, your designers, your structural planning and your finance team to ensure that plans are translated into an efficient operational frame work.

Our services begin from finding a suitable location to build a new facility, to sourcing and purchase an existing establishment. We assist in obtaining necessary permits, licenses and certifications; source architects, general contractors and project managers and ensure compliance with local standards.

Star 2 Success Consultants will design an organizational structure that suits your particular requirements. Our Team of Finance and Business Development professionals can ensure we build a guaranteed success plan.

### We offer Pre-opening support in the following sectors:

- **Hospitality Sector (all levels)**
- **Travel & Tourism Sector (all levels)**
- **Service Sector across Industries (all levels)**
- **Retail Sector**
- **Wellness & Spa Sector**
