MICE Consultancy

Meetings, Incentives, Conferences & Exhibition

- Star 2 Success MICE Consultancy is multi-disciplined organization providing live communications solutions to corporates in the areas of events; conferences and exhibitions in Sri Lanka and internationally. Our goal is simply not only to meet, but exceed client's goals. We are dedicated to delivering individualized event; conferences and exhibition origination and management services, with an emphasis on fine details, quality and creativity.

- We begin with an idea. We work closely with the client to evaluate and improve current event programs or develop new event campaigns that ultimately reflect our clients' values and achieve their end goals and objectives. With that in mind, we give our clients the ease of

Event Management & MICE

working with one key company.

- We also oversee everything from conception to completion and report-backs, event budgeting and compliance, sourcing and managing of superior teams of event professionals, to the development of event collateral. Our experienced team of professionals manages projects of various scales and complexity for clients from all over the world.

- Our clients value our event expertise and professionalism, creative vision, and ability to understand and translate their event into something more spectacular and more powerful than they ever imagined - for a resounding message that is altogether original, stimulating, and impactful.
